

The Apollo School of Gymnastics is excited to announce we are expanding our After School program. Our first year of After School was such a success that we will provide an after school program for more schools in our community for the 2011-2012 school year. Our goal is to provide a K-5th grade after-school pick-up and enrichment program, complete with transportation from your child's school to our gymnastics facility! Apollo offers a safe and nurturing environment with our experienced, small student to teacher ratio, and trustworthy staff.

In addition to pick-up from your school, our program includes gymnastics instruction and games, trampoline and tumbling, open gym, enrichment activities, healthy snacks, and occasional field trips. All of our staff is USA Gymnastics Safety Certified and background checked through Pinellas County Sheriff's Office.

- Time: After school to 6:30pm
- Price: \$75.00 per week
- Includes: Pick-up, gymnastics instruction and games, trampoline and tumbling, arts and crafts, open gym, study hall, healthy snacks, and occasional field trips.

If you are interested in participating in our After School Program please call or fill out the detachable form below and return to:

Apollo School of Gymnastics
